

REMARKS

In response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) dated March 20, 2007, we have had a second translator (U.S. based) make a comparison of the foreign language priority document to the English translation previously submitted, and several needed translation corrections were noted. Hence, we have supplied herewith a substitute translation of the priority document, a mark-up copy of that substitute translation, (that includes the needed corrections), and a clean copy. A translator's Verification is also filed. Further, we have confirmed that the new replacement translation should not include erroneous claims 10 and 11. Instead, we have added new claims 10 and 11 with the enclosed Preliminary Amendment.

Our check in the amount of \$1150.00 covering the fees set forth in 37 CFR § 1.492(i) and 37 CFR 1.136(a) is enclosed. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 30051/41060. A duplicate copy of this paper is enclosed.

In view of the above, this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
